## Welcome to the Twin Oaks Hotel

### Congratulations on your forthcoming Wedding

You are assured of a memorable day in this unique Hotel which retains the charm and character of the old Ramcroft Colliery cottages, from which it was developed in 1986. We are a family run and owned business and therefore are able to ensure that our service is personal and professional in every way. We are here to help you plan your day and we encourage you to ask us to tailor anything to your specific requirements.
